

Free Home Composting Workshop

Book your place now!

www.milton-keynes.gov.uk/compostingworkshop

Join a home composting expert for an informal and informative talk and demonstration of home composting. Open to anyone in Milton Keynes interested in learning more about making compost - whether you've just got a compost bin or want to improve your compost-making skills.

Topics covered include:

- Types of bin available
- Practical advice on the composting process
- What can and can't go in your bin
- Using compost on your garden

Date and Time: Saturday 18 April 2015, 10am to 12 noon.

Venue: The Hanson Environmental Centre, Wolverton Road, Great Linford MK14 5AH (entrance opposite the Black Horse Pub, Great Linford).

Booking is essential:
